

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK

UNITED STATES OF AMERICA,

v.

JAMES HARDY,

Defendant.

10-cr-1123 (JSR)

ORDER

JED S. RAKOFF, U.S.D.J.

By letter dated January 19, 2022, here attached, defendant James Hardy requests the audio recording of a proceeding before this Court on December 28, 2010, claiming that the Court made a prejudicial statement that was not reflected in the hearing's official transcript, ECF No. 15. No such recording is made in the ordinary course, and none exists here, so the request must be denied. Further, the Court could not and did not make any such statement, on or off the record. To the extent Hardy recalls otherwise, he is mistaken.

SO ORDERED.

Case # 10-Cr-1123 JSR

Dear Clerk,

will you please issue me a copy of the
"Audio" of the court proceedings on Dec. 23rd 2010 at
11:55am.

This will show him saying: "There is an innate
showing that a Gorilla in the wild knows that when a
person shows his teeth that that is a sign of aggression."

That is equivalent of him calling me a nigger, a porch
monkey, or Spear chucker. Those people who was in
Court that day knew and my lawyer William C. Komaroff
and AUSA Mr. Korenbaum was present so from the
start it was never effective assistance of counsel
cause him the Judge and the prosecutor are all racist and
it is showing when the Judge Jed S. Rakoff denied all of
the motions, knowing that he erase that from Doc # 15
transcripts but the Audio for that day and time, will
show Jed S. Rakoff making that racist statement and
Once he said that I gave up and tried to plead guilty

I need this so I can appeal my case

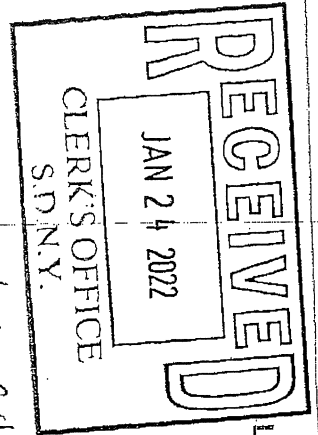

Thank you

Respectfully James Hardy
